

# Swiss Aerospace Sector Certification Scheme

Jointly supported by Swiss ASD & SAMA

## Swiss RMS - Regional Management Structure

- Organisation:** The Swiss RMS (Regional Management Structure) is the organisation established by the NAIA (National Aerospace Industry Association) and is composed of Swiss ASD (Swiss Aeronautical Industries, Security and Defence Technology) of the Swissmem and SAMA (Swiss Aircraft Maintenance Association).
- Task:** The Swiss RMS implements the requirements of the International Aerospace Quality Group (IAQG) and controls the Industry Controlled Other Party (ICOP) Scheme at national level based on the EN 9104 standards.
- Contact name:** Tanja Rüdüsüli

CH-8037 Zuerich, Switzerland  
Tel.: +41 (0)44-384 48 57  
E-Mail: [t.ruedisueli@swissmem.ch](mailto:t.ruedisueli@swissmem.ch)
- Leader:** Peter Kaufmann (RUAG AG)
- Vice Leader:** Simon Krauer (Franke Industrie AG)
- Oversight Leader:** Simon Krauer (Franke Industrie AG)
- Members:** Peter Kaufmann (RUAG AG)  
  
Simon Krauer (Franke Industrie AG)  
  
Peter A. Studer (studairQS GmbH)  
  
Robert Weber (RUAG AG)  
  
Matthias Zoller (Chair Swiss NAIA)  
  
Stephan Gehrke (SAS Swiss Accreditation Service)  
  
Pascal Arnaudo (SQS)  
  
Josef Mattmann (Assigned by RUAG AG)

## **AAB - Auditor Authentication Board**

- Organisation:** The AAB is a sub-committee of the RMS and is composed of industry representatives from within the RMS.
- Task:** The Auditor Authentication Board reviewed applications for authentication as aerospace Auditor to the standards of the 9100 series. In case of positive decision, the board initiated the registration of the authentication data in the OASIS database.
